The Share Dream

"Creating a people of God and place of God that shares God's Good News in bold words and loving action"

Matthew 28:19

Therefore go and make disciples of all nations, baptising them in the name of the Father and of the Son and of the Holy Spirit,

Sharing truths to tackle..

*"Jesus message is irrelevant today"
"We are not interested in church"
"We are busy on Sunday"
"i never even thought about God!"
"I don't trust religions"*

Creating God's People of Share

How can we create a people who share God's Good News

1. Understanding God's mission for YOU
2. Understanding how your personality naturally shares God's Good News
3. As a church, making & seeing the opportunities to share Good News
4. Providing for next generation of leaders

Next Steps?

1. Teach the Good News and how to share it relevantly through Holy Spirit
2. Ensure our giving is supporting ongoing outreach ministry
3. Keep training new leaders with a "year out" person
4. Improve our existing care and outreach with a new care support freezer

Creating God's Place of Share

How can we create a place of share in Burpham Church?

1. Investigate a new administration space for ministries to GO OUT into community
2. Create spaces and activities that build community in our buildings
3. Make sure our existing buildings and equipment are relevant and effective
4. Create a neutral place for people to engage with their spiritual journey

Next Steps?

1. Pray and consult with congregations and community about possible options
2. Engage an architect to provide possible development ideas meeting ministry needs
3. Pay off existing ministry building loans
4. Further improve our sound & computer equipment for effective communication
